My child is best supported by a teacher who: (check all that apply)

- is highly structured and organized
- promotes self-discipline
- teaches in a quiet and calm atmosphere
- allows students to interact socially and academically, with less structure

My child is best motivated using:

- personal attention
- self-motivators
- extrinsic motivators (stickers, awards, etc.)
- challenges

In forming classes, we will spend countless hours considering the boy/girl ratio, teacher recommendations, social groups, friendships, personalities, academic strengths and weaknesses, and other factors in composing a class. Because we will take all of the above items into consideration for placement, we ask that parents please do not request a specific teacher. Thank you for helping us with one of the most difficult tasks that takes place before school ever begins.
