The Creekside Knights Athletics Booster Club (CKABC) is excited to announce the 7th annual *Running of the Knights* 5K and 1-Mile Fun Run. The inaugural event was launched in May 2011 which gained a high degree of student and community involvement. The success of this first event inspired our enthusiastic administration, students, coaches, parents, and community members to continue this event annually.

In May 2016, the *Running of the Knights* attracted approximately 1,500 people in attendance including over 770 registered runners, students and family members, volunteers, business sponsors, school administrators, and people from the community to cheer on their friends in the race competition.

Our mission with the *Running of the Knights* is to offer a fun-filled family oriented event to raise funds that will directly benefit the students and local community that participate. Funds raised have enabled the athletic department and band programs to purchase large expense items that may otherwise not have been possible to purchase. For example; new weight room equipment, gym floor resurfacing, resurface football and band practice fields, new band equipment trailer, physical therapy equipment, basketball shooting machine, and more.

This premier fundraising event includes:

- o 5K Run/Walk
- o Live Music
- o Vendor Booths
- o 1-Mile Fun Run
- o Food & Refreshments
- o Prize Drawings
- o Centipede Team Race
- o High Energy Games
