Week Two
April 6-10, 2020

Office Hours:
Tuesdays, 7-8pm
Wednesdays, 6-7pm

Hello friends,

We hope that you all had a great first week of virtual school. Remember, work at your own pace and do what you can. If you can't get the activities completed this week, don't worry. Please let us know if you have any questions about any of the activities.

Submitting your assignment

You can submit the recommended assignment via **teacher's email address** OR **Instagram pages**. Include **subject heading: week two assignment** as well as student's name and teacher's name on all submissions. If you choose to submit via email, you will receive an email response right away. We appreciate your patience with us as we will review and respond to all submissions within 24-48 hours.

Take care,
Your friendly Resource Team

Art

Be an architect - use Legos, blocks, recycled or found materials to build a school for your action figures, dolls, stuffed animals, Lego mini-figures... Use WHATEVER you have! It can be as small or as big as you want. Be creative and think outside the box! Submit a picture via Instagram or email

Christie.Lawrence@stjohns.k12.fl.us with subject: **week two assignment**.

P.E.

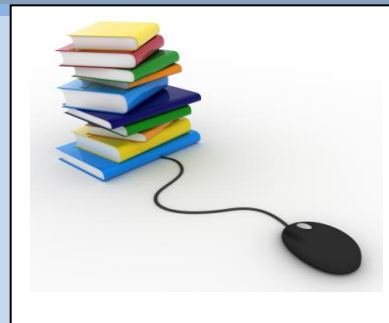

This week, you are going to be able to practice a new skill or set a new goal for yourself. Some examples include learning to rollerblade, ride a bike, a new jump rope trick, a new swimming stroke, decrease your mile time etc. Do not be afraid to think outside of the box. Discuss your strategy of how you will meet your goal with a family member. You can take or draw a picture or take a video yourself practicing your new skill. Submit via Instagram or email to Winston.Church@stjohns.k12.fl.us & Jennifer.McGugan@stjohns.k12.fl.us with subject: **week two assignment**.

STEM

Go outside and look for as many different birds, insects, and mammals as possible. How many types can you find? Record your notes in a journal. Write a few about your findings and email your assignment to Ashley.woodard@stjohns.k12.fl.us with subject: **week two assignment**.

Media

I love to talk about books. Here's a chance to talk about books with your family. Ask an adult if they remember what their favorite book was when they were a kid. Why was it their favorite? Tell them what your favorite book is. Maybe you can read one of those books together. Tell me who you talked to about books and the title of their favorite book by emailing your assignment to Kathryn.hudson@stjohns.k2.fl.us with subject: **week two assignment**.

There are so many ways to read books online. One of the best is our local library. You can access their large collection of eBooks, eAudiobooks, movies, music and more with your library card. They even have online tutoring and homework help available. If you don't have a library card, you can get a temporary ecard, good for 60 days. Visit www.sjcpls.org to sign in or sign up.

For some hilarious book readings, don't forget about Ryan and Craig! You can find them at www.ryanandcraig.com. You can also join them LIVE each weekday at 1pm on Instagram at storytime_show. Check their website for more information.
