Week One
March 30 to April 3, 2020

Hello friends,

We hope that you all are doing well. We miss your smiling faces and warm hugs! 😊

We want to provide you all with some fun activities that you can work on while you are at home. You will receive a newsletter from us every Friday for the following Wednesday. We are asking that you make sure to complete the mandatory activity listed. Be sure that you follow each resource teacher's Instagram (IG) page (names below) for more fun things throughout the week. This is also how you would send in images/videos if you are okay with them being shared online. If you would prefer to post them on your own page, make sure that you use this hashtag: #2020poaresource

If you have any questions or concerns, feel free to reach out to us during our office hours: Tuesdays 7-8pm and/or Wednesdays 6-7pm. You can also email us anytime.

Again, we miss you all and are thinking about you daily.

Take Care,
Your friendly Resource Team
