Week Three
April 20-24, 2020
Earth Day is April 22

Office Hours:
Tuesdays, 7-8pm
Wednesdays, 6-7pm

Hello friends,

We have completed week three of our at-home learning. We are so proud of how hard you all are working and are loving the completed assignments! 😊 Remember, work at your own pace and do what you can. If you can't get the activities completed this week, don't worry. Please let us know if you have any questions about any of the activities.

You can submit the recommended assignment via [teacher's email address](#) OR [Instagram pages](#). Include **subject heading: week four assignment** as well as **student's name and teacher's name on all submissions**. If you choose to submit via email, you will receive an email response right away. We appreciate your patience with us as we will review and respond to all submissions within 24-48 hours.

Take care,
Your friendly Resource Team

Recommended Weekly Activity

Music

Click here to visit POA Music Webpage <https://teachers.stjohns.k12.fl.us/chambless-j/>
Using the POA Music webpage is your best way to stay up to date. I will post videos and optional activities for you to explore. Feel free to also check out <https://padlet.com/1jennychambless/3ktip5j0dq9>. Submit assignment via Instagram or email Jennifer.chambless@stjohns.k12.fl.us with subject: **week four assignment**.

Art

Since this week is Earth Day, our challenge is to create a recycled roll sculpture (the art of stacking, carving, building to create a 3D piece). Please follow the link below for examples and instructions. If you would rather use other recycled materials, I have included a few photos to help spark your imagination! Have fun building! Submit a picture via Instagram or email Christie.Lawrence@stjohns.k12.fl.us with subject: **week four assignment**.

Examples of recycled object sculptures:

P.E.

This week follow along with Coach Church and complete baby shark ab challenge. You may have done it or heard of it already but since Earth Day is this week, I thought it would be fun. Your goal is to click the link and complete the challenge. Send a picture or video of you in action. You are welcome to challenge family members to do it with you. As a bonus challenge see if you can complete the video each day next week. Click here for the video: https://youtu.be/KIwj_cSbbLM. Email Winston.Church@stjohns.k12.fl.us & Jennifer.McGugan@stjohns.k12.fl.us with subject: **week four assignment** or send picture/video through Instagram.

STEM

Spend a little time this week celebrating Earth Day! Make some DIY Styrofoam Flowers in three easy steps. Be as creative as you want. Use whatever supplies you already have around your home. Click <https://docs.google.com/document/d/1TxDa8uYQVpfByXIfx2AthQBcZBe91oQnypTugRrO7a8/edit?usp=sharing> for more details. Submit about your experience by sending via Instagram or emailing your picture to Ashley.woodard@stjohns.k12.fl.us with subject: **week four assignment**.

Media

April is Poetry Month and April 22 is Earth Day. Let's celebrate both events by creating a haiku poem about animals/Earth/environment/recycling, any nature-related topic will do! Haikus are fun and easy to create. They are 3-line poems, with 5 syllables on the first line, 7 on the second, and 5 on the third. They usually do not rhyme. Here is a link for more info: <https://www.poetry4kids.com/lessons/how-to-write-a-haiku/>. Here are some examples:

I have yellow stripes.
I fly to all the flowers.
I'm making honey.

The earth is our home
Blue, green, yellow, red, and orange
So many colors

Can you come up with one? Just count out the syllables for each line, 5-7-5. Email me at kathryn.hudson@stjohns.k12.fl.us with subject **week four assignment**, or message me through Instagram, with your name and your teacher's name. Let me know if I can share yours on Instagram and I will post some.

Art Tuesdays
(Instagram: [artwithms.l](#))
Design a coloring sheet about the subject of Earth Day. You can color it OR you can send the uncolored version to Ms. Lawrence so she can share it with other students to color!

If you'd like to make a recycled water bottle fish use the link below. Remember to use any supplies you already have!
