Week Five
April 27-May 1, 2020

Office Hours:
Tuesdays, 7-8pm
Wednesdays, 6-7pm

Hello friends,

Thank you all for celebrating Earth Day with us last week. We really enjoyed all of the completed assignments and can't wait to see more next week! 😊 Remember, work at your own pace and do what you can. If you can't get the activities completed this week, don't worry. Please let us know if you have any questions about any of the activities.

You can submit the recommended assignment via [teacher's email address](#) OR [Instagram pages](#). Include **subject heading: week five assignment** as well as **student's name and teacher's name on all submissions**. If you choose to submit via email, you will receive an email response right away as long as you type in the subject heading correctly. We appreciate your patience with us as we will review and respond to all submissions within 24-48 hours.

Take care,
Your friendly Resource Team

Art

Follow the instructions below and submit via Instagram or email Christie.lawrence@stjohns.k12.fl.us with subject: **week five assignment**. Drawing with everyday objects: Choose any object that can fit nicely on the piece of paper you are drawing on. Place the object on your paper, anywhere. Start drawing to create a drawing using the object as part of it. HAVE FUN!! See some examples below and with your parents' permission you can view some examples on artist Javier Perez Instagram account – follow him @cintascotch

Click here for your week 5 video: <https://youtu.be/d9CkukknzCQ>. Be sure to watch it for further instructions. Email Winston.Church@stjohns.k12.fl.us & Jennifer.McGugan@stjohns.k12.fl.us with subject: **week five assignment** or send picture/video through Instagram.

STEM

Marshmallow Engineering Challenge: Let's create with Marshmallows this week! Your task is to build a structure of at least 12 inches tall that will support a jumbo marshmallow (or many marshmallows) at the top, without tipping over. The only supplies that you need are marshmallows, toothpicks and skewers (OR anything you can find around the house to substitute these items with). Submit about your photos by sending via Instagram or emailing your picture to Ashley.woodard@stjohns.k12.fl.us with subject: **week five assignment**.

Media

We're going on a treasure hunt this week for wonderful words. Take a few minutes to watch and read *The Word Collector* (link below). Can you search your house, interview your friends, or look online to find a spectacular word to share? It might be a word that you've never heard of before. It might be a word that sounds funny or is hard to pronounce. Message me through Instagram, or email me (kathryn.hudson@stjohns.k12.fl.us), with your name, subject: **week five assignment** and your teacher's name and the word you collected this week.

Art Tuesdays
(Instagram: [artwithms.l](#))
Make a drawing of someone you love. Present it to them telling them WHY you love them (if the person is not with you, you can send a photo of it OR tell them about it)

Make your own paint from something at home or in nature. Test it to see how it works! If you would like to, share with Ms. Lawrence the process and outcome.

Tune in to Instagram on Create Art Tuesday to see what household item Ms. Lawrence uses to makes her own paint!
