Week Six
May 4 - 8, 2020

Office Hours:
Tuesdays, 7-8pm
Wednesdays, 6-7pm

Hello friends,

Monday, May 4 is Star Wars Day! Please help us celebrate by completing any of the Star Wars activities below.

You can submit the recommended assignments via [teacher's email address](#) OR [Instagram pages](#). Include **subject heading: week six assignment** as well as **student's name and teacher's name on all submissions**. If you choose to submit via email, you will receive an email response right away as long as you type in the subject heading correctly. We appreciate your patience with us as we will review and respond to all submissions within 24-48 hours.

Take care,
Your friendly Resource Team

Recommended Weekly Activity

Music

This week is all about Star Wars! We'll find out which Star Wars tune (there are 8 to choose from on the bracket.....) is the favorite of our POA students. Start by using this link to get to the bracket - <https://padlet.com/1jennychambless/3ktp5j0dqc9>. The video links will only work if you download the bracket or open it in another window. You can click on this <https://www.youtube.com/watch?v=UZ41Wu2NExU> for a quick video that I have prepared with instructions. Click on Week of May 4-8, 2020 to get to the bracket. Send me the title of your favorite piece in an email.

Click here to visit POA Music Webpage <https://teachers.stjohns.k12.fl.us/chambless-j/>
Using the POA Music webpage is your best way to stay up to date. I will post videos and optional activities for you to explore. Feel free to also check out <https://padlet.com/1jennychambless/3ktp5j0dqc9>. Submit assignment via Instagram or email Jennifer.chambless@stjohns.k12.fl.us with subject: **week six assignment**.

Art

I thought these Star Wars grid-coloring pages would be a whole lot of fun! Follow the link, pick your favorite one, print, and ENJOY! <https://www.woojr.com/star-wars-pixel-grid-coloring-pages/> AND/OR Log onto Art for Kids hub YouTube channel with your parents' permission and draw one of their Star Wars guided drawings! Color if you have supplies/time. MAY THE FORCE BE WITH YOU!!

<https://www.youtube.com/playlist?list=PLnoO3k54vcBQwt-kv9Vxk0agrEyVK8bny>
Submit assignment via Instagram or email Christie.lawrence@stjohns.k12.fl.us with subject: **week six assignment**.

P.E.

Please watch the Week 6 video at <https://youtu.be/KHY0hYSjqWU>. Also note that I forgot to tell you in the video that the challenge is 1 min long and that the lines are 10 feet apart. Email Winston.Church@stjohns.k12.fl.us & Jennifer.McGugan@stjohns.k12.fl.us with subject: **week six assignment** or send picture/video through Instagram.

STEM

This week, we will practice our math and technology skills. 1. Pick and choose two different Math games to play from Starfall <https://www.starfall.com/h/index.php> based on your grade level. 2. Disney and the team behind The Force Awakens have partnered with Code.org to create an easy introduction to coding for kids. Try it by visiting <https://code.org/starwars> and selecting Blocks to try now. You do not have to log in to play. Write down 3 sentences about your experiences and email to Mrs. Woodard at Ashley.woodard@stjohns.k12.fl.us with subject: **week six assignment**.

Media

An important literacy skill is being able to read and follow directions. You can find directions that will teach you how to cook, learn the rules of a game, or even find a friend's house. Follow this link to directions to create an origami bookmark - <https://www.redtedart.com/origami-bookmark/>. You just need to start off with a square piece of paper. The website has lots of creative ideas for how to decorate it. Message me through Instagram, or email me (kathryn.hudson@stjohns.k12.fl.us), with your name and teacher's name and tell me how you decorated your bookmark or send me a pic. (You can always decorate a non-origami regular bookmark, if you want, instead.)
